Message: Governor Ronnie,

I was proud to see two children represent our Great state in the national spelling bee. I was also proud to see one come in second. That speaks highly of the systems they came from. I would like to see a Governor of Mississippi promote both public and private schools not just public. I remember when you use to call basketball games for the MPSA and now that you are Governor you have turned your back on the private schools in our state. I would like to see a Governor proud of both systems and promote both. One proud of the accomplishments of both! One who would be proud of our student of both systems. I guess I will have to wait until election time to get one.
